## Johanna Hansen

Ceramics and mixed media exhibit

July 2 through August 14, 2022

Santa Ysabel Art Gallery

## *Shelter*

### *A Place to Call Home*

Johanna's sculptures have been described as socially sharp and witty, often whimsical ceramics with a strong sense of the feminine and the topical. Playful yet thought provoking narrates the path she walks. She says: "I tell stories. Anything from falling in love, to reality TV to the horrors of war. . . . If I stumble upon it and it matters, I just might turn it into a piece".

RECEPTION FOR THE ARTIST

Saturday, July 2nd, 4-7 PM

Santa Ysabel Art Gallery is at 30352 Hwy 78, Santa Ysabel, CA 92070
