Oil and Watercolor Paintings

Joe Garcia is an internationally known landscape and wildlife painter. His paintings are in collections in the United States and throughout Europe. He is the author of Mastering the Watercolor Wash and The Watercolor Bible, now classic Northlight books on watercolor painting technique. In recent years Garcia travels, paints, and photographs painting reference. This has become an enjoyable and adventurous part of the painting experience for him. Joe Garcia lives in Julian, California where the oaks and pines support an abundance of wildlife, a good place for an artist with a specialty in painting creatures and habitat.
