Santa Ysabel, Ca. - James Hubbell, an internationally acclaimed artist, will exhibit his work at the Santa Ysabel Art Gallery, beginning Saturday, June 5.

The exhibit will be Hubbell's watercolors, drawings, stained glass, sculptures and jewelry.

He has described his jewelry as "wearable sculptures" which "...comes alive when it is part of the movement of the body."

"One of watercolor's main fascinations to me is its similarity to Jazz," according to Hubbell, and "...a willingness to improvise and play with the actual painting of the picture is what gives the painting its life."

The exhibit opens with a reception from 4 to 8 p.m., Saturday, June 5 and runs through July 11.

The Santa Ysabel Art Gallery has moved to 30352 Highway 78 (at Hwy. 79), located in a circa 1920 house with a garden setting. Hours are 10 a.m., until 5 p.m., Wednesday through Sunday. For more information please call 765-1676.
